One question you should never ask a creative person is: "Where do you get your ideas?" It's not something easily explained, and even if it were, the answer wouldn't do you much good. Artistic inspiration isn't something that can be bought—or can it?

Where can such an asset be acquired? On eBay, where artist Matthew Britton is auctioning off an "Unrealized Art Idea." Asking bid: £0.99. Postage: free. Prestige: a lifetime's worth.
